

Helping grieving families find a Reason to Beli*Eve*

The Belive Foundation helps grieving families in Minnesota facing hardship after the death of their child by providing immediate and practical **financial assistance** and partnering with other organizations to offer ongoing **emotional support and healing**.

We're in this together

Words can't express the loss you feel after the death of your child.

The Belive Foundation wants to help turn your grieving into healing.

The Belive Foundation

If your family is facing hardship related to the loss of your child, The Belive Foundation can help. We are here to offer struggling families financial and emotional support to help you move forward.

Eligible gift recipients:

- * Are parents or legal guardians grieving the death of a child ages 20 weeks gestation to dependents in young adulthood (up to 26 years of age).
- * Experienced the death of their child within the last 18 months.
 - * Currently live in Minnesota.
- * Have a specific financial need/request.

Types of financial support we provide:

Mortgage or rent payments

Individual or family therapy

Funeral and memorial costs

Medical bills

Other living expenses
